

bolero TRAVEL TRAILER

Interior Furnishings

Cupboards, closet and bunks are made of fiberglass for extra strength and light weight. Upholstery is 4 inches thick with colour co-ordinated curtains. Equipped with a 2-burner propane stove, 2.5 cubic foot ice box or optional 3-way fridge, large sink, 10 gallon water tank and pump, optional 5,000 BTU heater with automatic thermostat control.

Toilet Model has Optional Hide-away Self-contained Flush Toilet under front bunk.

Insulation

The interior of all bolero trailers are lined with "Ensolite" by Uniroyal an exciting new product developed for the space age. It's a soft PVC foam laminated to a tough vinyl film. The results? Excellent insulation and a beautifully finished wall surface.

Under Carriage

Rubber-ride torsion bar suspension mounted on a heavy-duty all steel welded frame. Tire size 600x13.

Sleeping Arrangements

The dinette area converts into a 6 foot 6 inch x 4 foot double bed. The chesterfield converts into 2 upper and lower bunk beds.

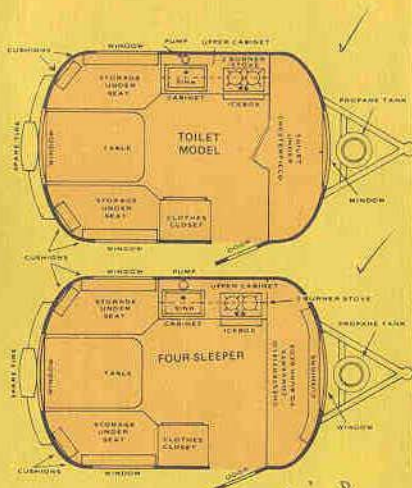

Electrical

110 volt system with cool fluorescent lighting and convenience outlet. Approved 20 foot rubberized 110 volt power cord. 12 volt electrical system with 2 high intensity lights.

All fiberglass unitized body provides extra strength and long-lasting beauty. Fiberglass is water and dust-proof, corrosion proof, maintenance free. Optional two tone color available upon request.
