## VALUE FEATURES

### Under Carriage

Rubber-ride torsion bar suspension mounted on a heavy-duty all steel welded frame. Tire size 600 x 13.

### Insulation

The interior of all Boler trailers are lined with "Ensolite"—an exciting new product developed for the space age. It's a soft PCV foam laminated to a tough vinyl film. The results? Excellent insulation and a beautifully finished wall surface.

### Interior Furnishings

Cupboards, closet and bunks are made of fiberglass for extra strength and light weight. Upholstery is 4 inches thick with colour coordinated curtains. Equipped with a 2-burner propane stove, 2 cubic foot ice box or optional 3-way fridge, large sink, 12 gallon water tank and pump, optional 5,000 BTU heater with automatic thermostat control.

### Electrical

110 volt system with cool fluorescent lighting and convenience outlet. Approved 25 foot rubberized 110 volt power cord. 12 volt electrical system with 2 high intensity lights.

### Sleeping Arrangements

The dinette area converts into a 6 foot 6 inch x 4 foot double bed. The chesterfield converts into 2 upper and lower bunk beds. The toilet model sleeps 2 in the dinette area.
